Polio Epic serves about 300 members most of who live in Arizona. We also network with many other polio support groups throughout the United States and many foreign countries. Our group meets monthly at Encompass Health Care at 2850 N. Wyatt Drive, Tucson. We meet the 2<sup>nd</sup> Saturday of Each month, with the exception of July, August and December.

Dates and times announced in our newsletters and our website at [www.polioepic.org](http://www.polioepic.org). These programs are on varied subjects of interest to the polio community. They include guest speakers, demonstrations, videos and slide presentations. A short business meeting follows the program with time allotted for questions, sharing of experiences and social interaction among the members.

We also publish a newsletter containing information pertinent to polio survivors. In addition to information on meeting dates and times, the newsletter contains articles from medical publications and other sources dealing with polio and post-polio syndrome. You can also access our website at [www.polioepic.org](http://www.polioepic.org) to read and review our newsletters.
